HOME COMING

A message from the President

Rotary has been home to many of Los Angeles' most influential leaders for 111 years. Not long after the Rotary movement itself started in Chicago the leaders of Los Angeles formed their own chapter. Since then, clothes and shelter have been provided, children without families of their own have been cared for, wheelchairs have been delivered to those who cannot walk, clean water systems have been installed in remote parts of the world, and scholarships have been given to the most promising students in Los Angeles.

On Friday, March 13, we have invited all members, current and former, to join us to celebrate 111 years of Rotary in Los Angeles. It will be a joyful occasion, filled with both fun and reflective moments. We will eat together, reminisce a bit, talk about the future of our club, meet the CEO of KCET and PBS Los Angeles, and then, will gather for a group photo in which you will want to be included.

Please accept my invitation to join us on March 13. To register for any or all of the events planned on Homecoming Weekend, visit rotaryla5.org

I look forward to seeing you soon.

CHECKING IN WITH LA5 SCHOLARS

**ASHLEY, 2016 RECIPIENT
CURRENTLY ATTENDING

How did you use the scholarship money?

"I used the money to buy textbooks, pay for a portion of my housing, and to buy groceries."

Brag to us about what you did this year...

"This year I worked as a Lead Desk Attendant and First Generation Mentorship Program Coordinator. I worked in a freshman residence hall where I helped manage and train staff. And as a program coordinator, I worked with first-generation students to have a successful first year by providing counseling, holding events, and providing academic help. I was able to work with my passion for higher education and now in my last year, I will be working as a resident assistant with first-generation students."
